New Apartments Jardines de Las Lagunas Fase II in Mijas Costa

Jardines de Las Lagunes Fase II.

The residential complex consists of spacious 1, 2 and 3 bedrooms apartments and stunning 3 bedrooms penthouses. The Costa del Sol has a wonderful all year-round climate, and at Jardines de las Lagunas we want to make the most of it. Therefore, the project will enjoy spectacular terraces, turning your home into your own private paradise. All homes have a garage and storage room.

As an innovation of the new phase in Jardines de las Lagunas, we have added underfloor heating in bathrooms. This is a cleaner and more efficient heating system which contributes to create a cozy atmosphere in your future home. The residential area offers absolute security and tranquillity, and surveillance cameras have been installed to ensure the safety of your home.

In addition to having all services and amenities within walking distance, it also has wonderful communal areas with swimming pool and gardens to enjoy with family.

The little ones can have fun in the children's playground area while you complete your daily wellbeing in the sauna or the gymnasium.

The development is in a privileged area of the Costa del Sol. Less than 5 minutes from the best commercial offer on the coast, a variety of golf courses in the immediate surroundings, 2 km from the beach, and transport services almost at your doorstep.
