Marbella Lake, new apartments for sale in Nueva Andalucia

2 Bedrooms apartment at Marbella Lake from 430.000 Euros

This new project, Marbella Lake is a private modern residential complex at the heart of Golf Valley, in Nueva Andalucia, just 5 kilometres from Puerto Banus, in a privileged position on a hill with the best panoramic views over the Viejo del Angel water reservoir.

All of the homes enjoy impressive panoramic views from the generously sized terraces and living rooms.

This exclusive development has ground floor, first floor, penthouse and duplex apartments. All top floor apartments have direct access to their own private solarium. The properties are fully equipped with quality finishes, recognised brands and will be ready to move in. A storeroom and garage parking space are included in the price.

Architecture in the communal areas at Marbella Lake is inspired by the "Boho Chic" and "Country Chic" aesthetic concepts where natural materials and colours are combined to blend into the swimming pool area and the local scenery in a balanced way, favouring a relaxed ambience and an escape to peaceful surroundings.

Nearby to this idyllic location of the project, you will find a variety of different restaurants offering both international and traditional cuisine, wines and culture. Also available are plenty of other shops and amenities to satisfy all your daily needs. Marbella Lake is less than one hours' drive from Malaga airport.
