Oasis 325 Phase II, avant-garde apartments in Estepona

New 3 bedrooms ground floor apartment with private garden of more than 210m2 in Oasis 325, Estepona.

Oasis 325 Phase II, avant-garde apartments in Estepona. Oasis 325 owes its name to the 325 days of sunshine that Estepona enjoys every year. A figure as spectacular as the gardens of the residential, where the swimming pool occupies a central place, flanked by the vegetation and the unmistakable sculptural forms that characterize the project. A unique environment capable of turning every day into a perfect day.

Oasis 325 is within walking distance of the most prestigious golf courses, Michelin star restaurants, beach clubs with live entertainment and exclusive shopping areas.

A perfect orientation and a large glazed surface bring the Mediterranean sun to every room of the house, where the living room, with its large floor-to-ceiling window and its panoramic terrace shine with their own light.

Oasis 325 is located in a natural environment of enormous richness. The beaches of the Costa del Sol and the Sierra Bermeja make up a variety of landscapes of unique beauty in Spain.

Among the pools of Oasis 325 is a spectacular spa with indoor pool. An extraordinary complex where we also find a complete gym and a multipurpose hall.
