Flat in La Cala De Mijas

SPACIOUS - AMAZING VIEWS - EXCELLENT LOCATION!!!

Looking for a contemporary home with walking distance to the beach, lots of facilities and simply a great place?

We welcome you to Casa Banderas - La Cala de Mijas at its best. Gorgeous views over the Mediterranean and the valley of La Cala de Mijas.

First you'll see the gorgeous apartment on the pictures, and after you've seen the floor plan, you'll see the rest of this fantastic community.

This property has never been lived in. Everything is brand new. All you need to do is to turn the key.

Off the modern open-plan kitchen-living space you'll find the reason for buying this property: The main east-facing terrace where you can enjoy endless hours of sun and shade as you wish in a wonderful setting of panoramic views of La Cala de Mijas and the Mediterranean sea. This terrace offers approximately 55 m² of pure living space. Some of it is covered, some semi-covered and the rest is open. Sun? Shade? You decide.

Off the 3 bedrooms - whereof one is en-suite - you'll find the west-facing back terrace of approximately 30 m² when you can seek primarily afternoon sun and shade. The fact that there are terraces on both sides of the property allows both heaps of light as well as a draft through the property on hot summer days.

The community offers 3 pools, indoor gym, indoor heated pool, paddle, children's playground, 24/7 concierge service, community entertainment area and more.

The property comes with 1 underground parking and 1 storage included.

Viewings are easily organized as we have the keys in the office.
