FOR SALE

Villa in Estepona

Impressive, well-maintained villa on a large plot of over 1600m², located in a quiet residential setting, just 10 minutes' drive from the center of Estepona, and 5 minutes' drive from the nearest beach.

The house, completely renovated in 2007, has large open areas and plenty of natural light. It has a total of 6 bedrooms and 5 bathrooms, including an individual apartment that can be used both as a service apartment or for rent, since it has a small kitchen, since it has a separate entrance from the main house. There is also possibility to add more m² to the existing house, as the allowed m² have not been fully used.

We find a large and beautiful garden, with unbeatable panoramic views, and a private pool, and several terrace areas throughout the house, making it possible to enjoy both the exterior and the interior.

There is also a parking area for several cars at the entrance of the house, as well as a large storage room.
