Everything in perfect working order and great maintenance conditions. Great complex for family with children, school buses stop at the front and there is a public school just across the street. All services and amenities at door step, having two main supermarkets in walking distance.

The south oriented duplex offers three large bedrooms having the master en-suite with an ample bathroom in the top floor by itself. Master bedroom with access to a terrace facing the gardens. The other two bedrooms share a bathroom. There is a guest toilet in the main floor. Updated kitchen with high spec furniture and appliances including a utility room and storage and another terrace.
