## House in Mijas

This spacious south-facing townhouse offers incredible views of the entire coast and the sea, with sun all day and stunning sunsets. On the entrance floor there is a garage for one car and a hall that goes up to the first floor where there is a large fully furnished kitchen, a living-dining room with a fireplace and a toilet. The covered terrace connects with a private garden that runs the length of the house and a barbecue area next to the kitchen.

The three bedrooms are all on the second floor. Two of them sharing a bathroom. The master bedroom has an en-suite bathroom and has stunning views of the sea from the bed itself. In addition, it has access to an open terrace and the sun terrace which is reached via a spiral staircase. From here there are 360° views.

The house was built in 2005 and has marble floors, hot-cold air conditioning in all rooms, equipped kitchen, private garage plus parking, gated community, swimming pool and well-kept community gardens.
