House in Marbella

Completely refurbished townhouse in the centre of Marbella overlooking the park. The house has been built originally in 1970, but has been entirely remodelled less than 3 years ago and has a contemporary interior. On the groundfloor and on the first floor there are two independent one-bedroom apartments, each with open-plan kitchen and living room, one bedroom and bathroom en-suite. On the second floor there is a studio with bathroom and access to the terrace. On top there is a solarium with BBQ and a nice chill out area with sea views. The old town of Marbella with its shops and restaurants is about 100m away and the beach less than 1km. This property can be used as a trendy family home, or as 2 or 3 apartments, each with separate water and electricity supply. Accessible from both sides, the house comes fully furnished and equipped - ready to move in or rent out.
