CHALETS

It has been designed following the lines of the typical Mediterranean village loaded with magic and charm that brings Andalusian architecture to its buildings. Here, the light and open spaces dominate the 6,872 m2 of the plot located just 50 meters from the beach, which is an advantage for lovers of the golden sand of the Malagasy beaches.

The complex consists of 31 chalets with marble floors, lacquered solid doors, fireplace, fully furnished kitchens with oven, ceramic hob, smoke bell, fridge, washing machine-dryer, dishwasher and microwave, and hot tub in the main bathroom, among other things. All this built with top quality materials and the most modern construction techniques. The orientation of the chalets and the distribution of the green areas and the two pools with waterfalls make comfort and relaxation the protagonists of this urbanization. The chalets also have private gardens, individual air conditioning system in each bedroom and storage room and enclosed garage with direct access from the houses.
