Recommended to visit!!

Located in a quiet residential area, with unparalleled views to the sea from its terraces, the villa is built on a plot of 1,161 m2 with a nice pool and a garden.

Built on two floors plus basement, this property is distributed in ground floor, hall, fully fitted kitchen with office and laundry room, large living room with fireplace by which access to large porch / semi-covered terrace with access to private garden; bedroom and side terraces. First floor and upstairs, distributor, sun terrace, master bedroom with en suite bathroom and dressing room with private terrace, 3 bedrooms with terrace.

Basement: Distributor, machine room, 2 rooms for recreational use (currently billiard room and cinema room), sauna, access to garage area for several cars.

The property is for sale completely furnished
