Appartement te Mijas Costa

Contemporary and modern apartment is located within a development that forms part of a stunning community with incredible on-site facilities. The apartment has two bedrooms and two bathrooms, as well as an additional toilet, with a modern, open plan kitchen fitted with Miele appliances. The lounge area is open and bright thanks to its large windows opening on to a large south west facing terrace with beautiful views to the sea. The community is gated and secure with a video entry system, children's swimming pool, one heated pool during the winter months and another large walk in swimming pool. There is also a gym for the exclusive use of the owners as well as a Turkish bath and sauna. The property is sold unfurnished with a underground parking space and the current owners have made several practical additions to the property, making it fully ready for the new owner to move into.
