€ 389.000

Marbella two bedroomed town house for €399,000, an unbelievable offering and we do not expect this property to be available for very long.

This is a unique urbanisation with a real private Spanish pueblo feeling. The courtyard in front of the house is so private and tranquil, with lemon, avocado and orange trees in abundance. The overall grounds are well maintained, with three full time gardeners tending the large communal areas, the swimming pool, tennis and paddle courts.

Built in 1986, Altos de Aloha enjoys a privileged position, located between two holes of Aloha golf club. The property is 2 minutes from the golf club, 2.5 minutes from Aloha School, a few more minutes from the port and only eight minutes from Marbella town.

The property needs new owners to come in and to realise its potential. This house is all about the views of the Mountain and they are quite spectacular from the lounge terrace and from the master bedroom terrace upstairs. From the upper terrace you can see all the way into Marbella, out to sea and to the top of La Concha.

This property is ready for a quick sale, no debts and no issues. The owner is in no hurry, but will let the property go as soon as your clients would like to buy.
