This lovely rustic villa has been in the same family ownership for the past 37 years. It has been lovingly maintained and provides the new owner a blank canvas to modernize to their own taste and requirements.

Entrance porch, large double width antique wooden door, reception lobby leading to a spacious, split level lounge/diner with a feature fireplace and large glass sliding doors leading to a huge part covered terrace on which to soak up the unparalleled sea views ideal for large scale entertaining and al fresco dining.

Off the dining area is a fully fitted kitchen, also with access to the terrace, gardens and pool. The kitchen lends itself to be reconfigured to become open plan to the dining area with a central island.

Inner hallway leading from the lounge to two well appointed shower rooms which service two generously proportioned double guest bedrooms.

At the far end of the property is located the large Master bedroom with sliding doors leading to the terrace, a very large en suite which requires updating with double wash hand basins, bath and a separate shower cubicle together with a dressing room.

The property is very well distributed with an excellent floor plan.

Well tended front garden with an area of lawn and borders. Additional large area of lawn adjacent to the pool area. Log store.

Walking from the main house on the expansive terraces is a store/utility room that is fronted by a large, purpose built outside bar. This area could be enclosed and made into an independent, self contained apartment, subject to acquiring the necessary permissions.
